

3 Priorities:

Now that you have your dream relationship in your mind, I want you to only think about the next 90 days.

What 3 things do you need to prioritize that will move you closer toward achieving that dream relationship? Write those three things down below.

If you want to have more meaningful connections, maybe you need to hire a babysitter so you can go on weekly date nights. If you dream of traveling to Paris, do some research about the city and discuss points of interest over dinner at a French restaurant. Create a budget.

You get the idea – whatever you want for your relationship 90 days from now – NAME IT, and then start taking small steps in that direction NOW.

Here are three key priorities:

1. _____.

- a.
- b.
- c.

2. _____.

- a.
- b.
- c.

3. _____.

- a.
- b.
- c.

3 Actionable Steps:

Above you have identified 3 things you will prioritize in the next 90 days that will move you closer toward achieving the kind of relationship you are committed to having.

Below each priority, you will notice 3 spaces. These spaces are for you to write the three actionable steps you will take to move you toward achieving those accomplishments.

Keep this sheet of paper in a place where you can reference your priorities and your actionable steps over the next 90 days. In fact, you have a better chance of accomplishing these goals if you write them on a note card and put in your wallet. And an even greater chance if you pull that card out and scan it each day. Whatever you do, keep moving forward.

MISSION, VISION, and VALUES

Ok, so now you have a sense of what you want the future to look like with your spouse. Whether you know it or not, this future is a **possibility**; it has **purpose**; and it **stands** for something important to you.

So from here, let's write a family MISSION, VISION, and VALUES statement.

- A "visionary" is someone who sees what is possible.
- A "missionary" is someone who carries out the core purpose.
- And "values" are what you stand for.

As a couple, create a Vision, Mission, and Values statement:

OUR VISION STATEMENT

(Where we are headed):

OUR MISSION STATEMENT

(Why we exist -- our purpose):

OUR VALUES

(What we stand for):

1. _____.
2. _____.
3. _____.
4. _____.
5. _____.
